

Scott Centea

*Senior Vice President and General Manager,
Endovascular Therapies*

Scott Centea has over 22 years of experience in the medical technology and healthcare industry. He received his B.A. in Communications in 2000 from Newberry College, MA, where he played soccer and joined the Blue Key National Honor Society. Scott previously worked at Covidien in the Patient Care Division. Since joining the Company in 2005, he's held numerous roles during his 18-year career at AngioDynamics. He advanced through positions in the sales and marketing divisions and is currently the Senior Vice President and General Manager of the Company's Endovascular Therapies Division. The division's portfolio includes an array of innovative medical products and technologies.
